It has been some months since I met you and appeared on the Credit Line Program. I would like to remain in touch with you and your listeners so my office can be of assistance in avoiding incidents that you described on the program.

I admire your dedication to ensuring that the financial playing field is level for all consumers. Your work is invaluable to the actualization of the United States' principle of fairness and equality for all.

I enjoyed meeting and spending time with you. I look forward to doing it again.
