Dear Ms. Polto:

Thank you for contacting me regarding your advocacy venture to promote the City of Philadelphia. I appreciate your commitment to our great City; however, as Mayor, I am unable to endorse your project for several reasons due to my position in City government. If you need assistance from my office in the future regarding other matters, please do not hesitate to contact me again.

As always, the feedback and support I receive from citizens like you is essential to the success of my administration as we continue to work together to provide a better quality of life for everyone who lives in, works in, and visits Philadelphia.

Again, thank you for your note. As Mayor, I will continue to work hard to lead Philadelphia towards a stronger future.

Sincerely,
