Pearl B. Polto Inc.

Pearl,

I would like to take this opportunity to thank you for the excellent services you provided to me.

My credit score was so low that I could only obtain credit based on my salary. Due to your diligence, patience and hard work I now have a high credit score.

Because of several rejections to repair my credit I never thought it could be repaired. You have managed to do the impossible. You're a miracle worker!

Through your agency I have learned a valuable lesson about the importance of money management and will manage my money a lot better.

Thank you Pearl B. Polto Inc. I will continue to refer others to your agency.

Forever grateful and better financially educated,

KRP
